

PORTO MARIE

(The Valley)

A unique double-reef system, right off the shore of a beautiful beach - a Dive Bus divers' favourite. Keep your eyes open - you never know what you'll see here...

Dramatic double reef system, creating a Valley between the 2. Heaps and HEAPS of small reef fish, especially creole wrasse,, good place for morays and flounders, and turtles and rays if you're lucky... Check out the reef balls on your safety stop - and the flamingos on the journey.

A beautiful beach, beautiful dive site and full facilities make Porto Mari one of the most popular beaches on the island so it can get busy, especially at the weekends and holidays.
